SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT TO ACCOMPANY RESPONSE AND AMENDMENT UNDER 37 CFR 1.111

Sir:

Pursuant to the requirements in 37 C.F.R. § 1.56, and in conformance with 37 C.F.R. 1.97 and 1.98, Applicants hereby submit a Supplemental Information Disclosure Statement. Applicants respectfully note that the Examiner failed to initial the form for the two below-listed patent references.

Applicants enclose the two listed documents on the enclosed Information Disclosure Statement by Applicant listing form (formerly 1449).

These two references were previously disclosed and provided in Applicants' IDS of 24 April 2005 that was considered by the Examiner on 27 October 2005, but were indicated as "being missing from the file" by the Examiner (and therefore not 'initialed' by the Examiner). The order of these references, or the inclusion of any comments thereon, should not be construed to suggest their relative pertinence. The filing of this Information Disclosure Statement should not be construed to suggest that a patentability search has been made or that the cited references are prior art or are considered to be material to patentability.

Applicants respectfully request consideration of the foregoing documents during examination of the above-identified patent application.

No fee is deemed due. However, the Commissioner is authorized to charge any additional fees due and credit any overpayment to Deposit Account No. 04-0258 of Davis Wright Tremaine LLP. An extra copy of this document is enclosed.

Respectfully submitted,

Davis Wright Tremaine LLP
